Cherish, Cherish!!!

So tired of broken hearts and losing at this game
Before I start this dance
I take a chance in telling you
I want more than just romance
You are my destiny, I can't let go baby can't you see
Cupid please take your aim at me

Chorus:

Cherish the thought
Of always having you here by my side (oh baby I)
Cherish the joy
You keep bringing it into my life (I'm always singing it)
Cherish your strength
You got the power to make me feel good (and baby I)
Perish the thought
Of ever leaving, I never would

I was never satisfied with casual encounters
I can't hide my need for two hearts that bleed with
burning love
That's the way it's got to be
Romeo and Juliet, they never felt this way I bet
So don't underestimate my point of view

chorus:

Cherish the thought
Of always having you here by my side (oh baby I)
Cherish the joy
You keep bringing it into my life (I'm always singing it)
Cherish your strength
You got the power to make me feel good (and baby I)
Perish the thought
Of ever leaving, I never would

Who? You! Can't get away I won't let you
Who? You! I could never forget to
Cherish is the word I use to remind me of ooooh your

love
you giving it
you giving it to me boy
you giving me all, all, all new joy to me babe
I will always cherish you

Romeo and Juliet, they never felt this way I bet
So don't underestimate my point of view

Who? You! Can't get away I won't let you
Who? You! I could never forget to
Cherish is the word I use to remind me of your love

chorus:

Cherish the thought
Of always having you here by my side (oh baby I)
Cherish the joy
You keep bringing it into my life (I'm always singing it)
Cherish your strength
You got the power to make me feel good (and baby I)
Perish the thought
Of ever leaving, I never would
