Here come ol' flat top, he come groovin' up slowly
He's got joo joo eyeball, he one holy roller
He got hair down to his knees
Got to be a joker, he just do what he please

He wear no shoeshine, he's got toe jam football
He's got monkey finger, he shoot Coca-Cola
He say, "I know you, you know me
One thing I can tell you is you got to be free"

Come together right now
Over me

He bag production, he's got walrus gumbo
He's got Ono sideboard, he one spinal clacker
He's got feet down through his knees
Hold you in his arms till you can feel his disease

Come together right now
Over me

Come together baby
Come together baby
Come together
Come together

He roller coaster, he's got early warning
He's got muddy water, he one mojo filter
He say, "One and one and one is three"
Got to be good looking 'cause he's so hard to see

Come together right now
Over me

Come together baby, yeah baby
Filter, got a mojo
So come together
Just come together
Just come together

Muddy water, spinal clacker baby
Mojo filter early warning with a sideboard

A walrus [Incomprehensible], a walrus clacker
Come together, yeah
Come together, yeah
Come together
Mojo woking, together, mojo filter
