I got the call Monday mornin', oh no  
Sometime around 9 a.m.  
I felt down and out, left for dead  
Lost without a friend

Now how you live with yourself  
Child, I just don't know  
But as far as I'm concerned I think ya really suck  
You're rotten and you really blow

I hate your guts  
Oh, I wish that you was dead  
I hate your guts  
You're damn right that's what I said

I hate your guts  
And I wish that you was dead  
Gonna dig the hole myself  
But I'd rather run ya over with my truck instead

Your first name should be ass  
Your last name should be wipe  
Believe me when I say this  
See I've been shit on more than twice

Well, it's funny how it works  
And don't just seems to never end  
Just when ya think ya had enough  
They'll bend ya over and fuck ya once again

Say I hate your guts  
And I'm wishing you were dead  
Yeah, I'll be hating your guts  
You're damn right that's what I said

I hate your guts  
I'm wishing you was dead  
Gonna dig the hole myself  
But I'd rather run ya over with my truck instead  
And start of that engine

What's mine is mine, what's yours is mine

And that's the way it's gonna be  
If ya got a problem with that ya little bastard  
Don't ya come around to me

Now I've been doin' this now for quite a many day  
I'll rip off your nuts  
And shove them down your throat  
And head off on my merry way

Money hungry and greedy  
Oh child, you're just downright wrong  
You see you pissed me off so many times  
I just had to write this song

Everyone's got their problems  
And don't I know you sure got yours  
But you make livin' child  
And you make it seem like a back breakin' chore

I hate your guts  
I wish that you was dead  
I hate your guts  
You ain't got clean idea  
You're damn right that's what I said

I hate your guts  
I'm wishing you was dead  
I'd dig the hole myself  
But I'd rather run ya over with my truck instead
