Some say happiness is a burden  
As I lie here trying to attain  
Inside/Outside I?m nothing  
But the more I see through the more I have to gain

If at first you don?t succeed it?s normal.  
But the second time you?re expected to perform.  
We perform,  
Stand up, listen, I?ll tell you where we went wrong.

Give me a reason to stop asking  
I know that some things can?t be mine  
Inside/Outside I?m nothing  
And the layers crumble one piece at a time.

If you expect me to go out there and shine every night  
You know there?s something about that that just isn?t  
right

We perform  
Stand up, listen, I?ll tell you where we went wrong
