Talkin' down the line, I nearly lost my mind
Nearly lost you babe
I think about you child, through my sick and twisted
smile
I nearly lost you babe

Shakin' in my hands I just don't understand
I nearly lost you mama
Lovin' just to hate a war that just won't wait
I nearly lost you babe

My eyes have gone blind
Though the past I just can't find
A flower to be saved, a flower for your grave
Mama at times I just don't know
Oh sweet Jesus, where did I go?

What it was to be was kinda clear to see
Nearly lost you babe
Ain't no backin' down 'cause I ain't nobody's clown
I nearly lost you mama

Breakin' down inside
Yeah I nearly lost you babe
Forever one more time until the day I die
I nearly lost you babe

My eyes have gone blind
Though the past I just can't find
A flower to be saved, a flower for your grave
No I just don't know
Oh sweet Jesus, where did I go?
Where did I go?

Oh yeah

Lord my eyes they have gone blind
The past I just can't find oh
A flower to be saved, a flower for your grave
Mama I just don't know
Oh sweet Jesus, where did I go?
