Take your time, time  
Take your time, take it, mama  
Take your sweet time  
Take your time, take it, baby  
Y'know I'm gonna get to you, now

Don't even try  
Ain't gettin' by Mama  
Think ya can, but ya can't  
Ain't no gettin' by, babe  
Y'know I'm gonna get to you

The bottom of the barrel is where I've been and I'll  
always be  
It's where I found reality  
I ain't seein' clear, no I don't wanna be  
Let me drown in my misery, yeah oh baby

Wine, y'know I'll make you mine, baby  
Serve you up a glass of my troubled wine  
Wine, yeah, I'll make you mine, baby  
Serve you up a glass of my troubled wine  
My troubled wine, babe

Now listen  
Tell me what you is  
Tell me who you is, what you be  
Lord I'll be your ship  
Your ship sinkin' in the sea  
No, just take my hand

When you hurt  
When you cry  
When you bleed  
A little ship, a little bit's all you need  
Oh, I'm always here for you

The bottom of the barrel, yeah, where I've been and I'll  
always be  
It's where I found reality, now  
I ain't seein' clear, no, Lord, I don't wanna be there  
Just let me drown in my misery, yeah

Wine, yeah, I'll make you mine, babe  
Serve you up a glass of my troubled wine  
Wine, yeah, I'll make you mine  
Serve you up a glass of my troubled wine

Drink up

Wine, y'know I'll make you mine, babe  
Serve you up a glass of my troubled wine  
Wine, y'know I'll make you mine, babe  
Serve you up a glass of my troubled wine

Wine, y'know I'll make you mine, babe  
Serve you up a glass of my troubled wine  
Wine, yeah, I'll make you mine, all mine, all mine  
With a glass of my troubled wine  
That's right [Incomprehensible]

Wine, wine  
Wine, wine  
Wine, wine  
Drink up
