What are you looking at?

Strike a pose

Strike a pose

Vogue, vogue, vogue

Vogue, vogue, vogue

Look around everywhere you turn is heartache

It's everywhere that you go (look around)

You try everything you can to escape

The pain of life that you know (life that you know)

When all else fails and you long to be

Something better than you are today

I know a place where you can get away

It's called a dance floor, and here's what it's for, so

*\*Chorus\**

Come on, vogue

Let your body move to the music (move to the music)

Hey, hey, hey

Come on, vogue

Let your body go with the flow (go with the flow)

You know you can do it

All you need is your own imagination

So use it that's what it's for (that's what it's for)

Go inside, for your finest inspiration

Your dreams will open the door (open up the door)

It makes no difference if you're black or white

If you're a boy or a girl

If the music's pumping it will give you new life

You're a superstar, yes, that's what you are, you know it

*\*Chorus\**

Come on, vogue

Let your body groove to the music (groove to the music)

Hey, hey, hey

Come on, vogue  
Let your body go with the flow (go with the flow)  
You know you can do it

Beauty's where you find it  
Not just where you bump and grind it  
Soul is in the musical  
That's where I feel so beautiful  
Magical, life's a ball  
So get up on the dance floor

\*Chorus\*

Come on, vogue  
Let your body move to the music (move to the music)  
Hey, hey, hey  
Come on, vogue  
Let your body go with the flow (go with the flow)  
You know you can do it

Vogue, (Vogue)  
Beauty's where you find it (move to the music)  
Vogue, (Vogue)  
Beauty's where you find it (go with the flow)

Greta Garbo, and Monroe  
Deitrich and DiMaggio  
Marlon Brando, Jimmy Dean  
On the cover of a magazine

Grace Kelly; Harlow, Jean  
Picture of a beauty queen  
Gene Kelly, Fred Astaire  
Ginger Rogers, dance on air

They had style, they had grace  
Rita Hayworth gave good face  
Lauren, Katherine, Lana too

Ladies with an attitude  
Fellows that were in the mood  
Don't just stand there, let's get to it  
Strike a pose, there's nothing to it

Vogue, vogue

Oooh, you've got to  
Let your body move to the music  
Oooh, you've got to just  
Let your body go with the flow  
Oooh, you've got to

VOGUE...
