Lay down, sleep my little darling  
I'll be nothing when you're gone  
Lay down just like in a coffin  
Then I'll have nothing but a song

I'll leave you in a coffin for real  
And I'll leave you in a church

Lay down, leave, you'll be lonely  
I know I won't go  
Lay down, sleep, you'll be lonely  
I know I won't go, it's not my turn

Lay down, this pain will be long gone  
With the absence of your breath  
I know, I know that you loved me  
But I can't love you when you're dead

So I'll leave you with this coffin for God  
And I'll leave you in the dirt

Lay down, leave, you'll be lonely  
I know I won't go  
Lay down, sleep, you'll be lonely  
I know I won't go, it's not my turn

Lay down, leave, you'll be lonely  
I know I won't go  
Lay down, sleep, you'll be lonely  
I know I won't go

Lay down, before me  
I know I won't go  
It's not my turn
