Lyrics by Daniel Forsythe

You lie sleeping in my arms again
So soft and warm, your golden skin
And I wish this moment would never end
My lady of Mexico
In the morning you'll be leaving
In my head, well I guess I know
In a few months you'll be back here again
But the tears are beginning to show
'Cause my heart keeps crying to me
Hey man, don't let her go
'Cause I love you
'Cause I love you
'Cause I love you
My lady of Mexico
Soon your Spanish eyes will open
And I'll kiss your morning smile
We'll hold each other close for awhile
Before you take to the sky
Well, it's something you feel you have to do
And I just can't stand in your way
'Cause I love you
'Cause I love you
'Cause I love you
My lady of Mexico
So I'll think about these moments
In the months ahead while you're gone
And they'll help me through the days to come
And the nights won't seem quite so long
And if you don't come back to me
I'll know I can't, but I must carry on
'Cause I love you
My lady of Mexico
And if you don't come back to me
I'll know I can't, but I must carry on
'Cause I love you
'Cause I love you
'Cause I love you
My lady of Mexico
