Don't you give up and say that you're stuck
Surrounded by foolish things
Now that you've had all that was bad
I know now what I must bring

To all my friends you haven't changed
You all still think that

You won't be fooled by this(x4)

What's left to say I'm on my way
I don't know what you have said
I'm not what has, all then were sad
I know now that I can change

and now and then as I close my eyes
My foolish ways goes and becomes my pride

You won't be fooled by this
(x4)
