I haven't seen you in a while  
I haven't breathed you in a while  
I can't remember the last time we laughed

I haven't watched you in a while  
I haven't touched you in a while  
And time rolls on by so quietly so fast

I wish that you were here with me now

Lately, oh maybe  
I need you I need you  
Like the skin I wear  
Like fire that needs air  
Lately, oh baby  
I miss you  
I don't know what to do  
Cause I'm not myself without you

Every morning I'm up  
Painting my face with the ashes of us  
Cause I can't remember the last time you smiled

I'm not saying you were never enough  
But I've always tried to be so tough  
Now I can't lift my hand to meet my eyes

When I'm lookin' for ya babe  
I wish that you could have stayed

Lately, oh maybe  
I need you I need you  
Like the skin I wear  
Like fire that needs air  
Lately, oh baby  
I miss you  
I don't know what to do  
Cause I'm not myself  
No I'm not myself  
No I'm not myself

I can't feel you anymore  
You're gone when I blink  
And I feel so small  
Cause I'm not myself  
No I'm not myself  
No I'm not myself

Cause Lately, oh maybe  
I need you I need you  
I need you I need you

Cause lately, oh maybe  
I need you I need you  
Like the skin I wear  
Like fire that needs air  
Lately, oh baby  
I miss you  
I don't know what to do  
Cause I'm not myself  
No I'm not myself  
No I'm not myself  
Without you
