I looked into my baby's eyes  
I tried so hard to find some light  
When I looked there was no one there  
No one there at all

I walked on down a crowded street  
I hard somebody talk to me  
When I turned around to speak  
There was no one there at all

Can't go back, I can't go back  
Can't go back, I can't go back  
Can't go back, I can't go back  
To the place I was before

I stuck a needle in my arm  
I stuck it in my baby's heart  
She looked so hot and sexy

She wasn't there at all

I heard some one break in my house  
They had a gun they had a knife  
But it was all behind my eyes  
There was no one there at all

Can't go back, I can't go back  
Can't go back, I can't go back  
Can't go back, I can't go back  
To the place I was before

My baby looked into my eyes  
She tried so hard to find some light  
When she looked there was no one there  
No one there at all

Can't go back, I can't go back  
Can't go back, I can't go back  
Can't go back, I can't go back  
To the place I was before
