Gonna dance to the music all night long
Gettin' high, gettin' happy, gettin' gone
Gonna dance to the music all night long
Gettin' up, gettin' down, gonna get it on

Gonna live the life I love
I'm gonna love the life I live
Gonna get high

Gonna dance to the music all night long
Gettin' high, gettin' happy, gettin' gone
Gonna dance to the music all night long
Gettin' up, gettin' down, gonna get it on

Gonna live the life I love
I'm gonna love the life I live
Gonna get high

Gonna get high 'til the day I die
Rama lama lama fa fa fa
Gonna get high 'til the day I die
Rama lama lama fa fa fa

Gonna get high 'til the day I die
Rama lama lama fa fa fa
Gonna get high 'til the day I die
