PrimakHahaha!...  
Broke dick dog  
My head slung low  
Tail knocked in the dirt

Time and time of being told  
Trashin's all I'm worth

When I was just a young boy  
Had to take a little grief  
Now that I'm much older  
Don't put that shit on me

(Pre-Chorus)  
Grab it and shake it  
Reach down scrape it  
YOU - JUST - GOT - TO...

(Chorus)  
Scream and shout  
Rip that mother out  
You just gotta say - HEY! ...Owww!

Primal scream and shout  
Oooh! Let's tear it out  
YOU - JUST - GOTTA - SAY! ...Get it!

Janou said meters are red  
Gonna blow a neurotic fuse  
If ya show a little, a little pain  
Unlock a lotta truth

When daddy was a young man  
His home was living hell  
Mama tried to be sober  
Now her mind's a padded cell - yeah!

(Pre-Chorus)  
Grab it and shake it  
Reach down scrape it  
YOU - JUST - GOT - TO...  
(Chorus)

Scream and shout  
Tear that sucker down  
You just gotta say - HEY! ...Alright!

Primal scream and shout  
Suck that terror down  
YOU - JUST - GOTTA - SAY! ...Kick it!

(Bridge)  
HEY MAN! ...Get out of my face  
I deal with my problems at my own pace

With your... SCREWED-DOWN! ...anti-human views  
Deal with the pressures by playing the blues

If you wanna live life on your own terms  
Gotta be willing to - CRASH AND BURN! ...Weowwww!

(Reprise)  
Primal scream and shout  
Tear that sucker down  
You just gotta say - HEY!

Primal scream and shout  
Suck that terror down  
YOU - JUST - GOTTA - SAY ...Kick it!

(Climax)  
SCREAM! - SHOUT! ...Whew!  
Come on, come on, come on! ...Haha! ...Whoa!

SCREAM! - SHOUT! ...Ahhhhh-ahh! Owww!  
My-my-my-my! ...Owww! ...Oh yeah!

Oh! ...Whoa!
