Baby, I love you, baby, I need you
Baby, I love you, baby, I need you

Baby, I'm lonely
I need you here to hold me
I'm sad, so sad and blue
I'm not with you

Baby, I'm thankful
Thank you for your kindness
Baby, I'm thankful, thankful, thankful
Thank you for your kindness

You've always stood by me
You never denied me
I'm sad, so sad and blue
I'm not with you

Shine on me, sister
Let your love light shine
Shine a light on me, sister

I've got a ragged heart
I'm feelin' dark
Let it shine, let it shine
Let your love light shine

Baby, I love you, baby, I need you
Baby, I love you, baby, I need you

Baby, I'm lonely
I need you here to hold me
I'm sad, so sad and blue
I'm not with you

Please hold me, I'm lonely
Please hold me, I'm lonely
I need you, I'm not with you
So sad
