You can be redeemed boys
You can be redeemed
Life is but a dream boy
You can be redeemed
Nothing's as it seems
You can be redeemed

Everything's permitted
Nothing's really true
Live outside the law boys
Doing what to do
Nothing's at it seems
You can be redeemed

Sometimes I feel so lonely

You can be redeemed boy
You can be redeemed
Life is but a dream boys
You can be redeemed
Nothing's as it seems
You can be redeemed

Sometimes I feel so lonely
