Suicide Sally & Johnny Guitar  
She overdosed and crashed in her car  
Amphetamine jab, shot a hole in his head  
Ran out of veins, ran out of friends

Alright, alright  
Oh, baby, baby, I'm doing alright  
Alright, alright  
Oh, baby, baby, I'm doing alright

Gear Head Candy is a natural queen  
Bad motorcycle, you know what I mean  
She got her wings, givin' head to a priest  
The fucker choked on his Rosary beads

Alright, alright  
Oh, baby, baby, I'm doing alright  
Alright, alright  
Oh, baby, baby, I'm doing alright

Alright, alright  
Oh, baby, baby, I'm doing alright  
Alright, alright  
Oh, baby, baby, I'm doing alright

Stone Cold Sally is a stubbled whore  
Her face is plastic, so is her soul  
She hates her body, she is a he  
Striptease and pre-teased, feelin' diseased

Alright, alright  
Oh, baby, baby, I'm doing alright  
Alright, alright  
Oh, baby, baby, I'm doing alright

Hey Rock 'n' Roll doctor, Rock 'n' Roll nurse  
Gimme a shot, gimme some pills  
I don't need a knife, I don't need a gun  
I gotta crown made of human skull

Alright, alright  
Oh, baby, baby, I'm doing alright

Alright, alright  
Oh, baby, baby, I'm doing alright

Alright, alright  
Oh, baby, baby, I'm doing alright  
Alright, alright  
Oh, baby, baby, I'm doing alright

Rock 'n' roll doctor
