"Fishbowl"

I was okay until the day that I met you
A clear head, I was thinking straight
Always getting through

Now I'm stuck in a fat man's pocket
In a cage I can't unlock
It took me by surprise you'd sold me out

Chorus:
I really thought I knew you
But you are just like the rest
It's the big who eat the small
I thought that you were special
But you are just like the rest
In this vicious fishbowl

Say what you want to say
I know you sold my soul
To a vulture with a big white smile
In your greedy search for gold

And now I'm stuck in a fat man's pocket
In a cage I can't unlock
It took me by surprise you'd sold me out

Repeat Chorus

I never thought that you would be the one to sell me
Out
If this is what it takes you know I rather be without

Repeat Chorus
