Release myself from holding back
I realise now my world's not flat
An open mind, an open court
Open runways open the doors
So deep, so dear

So much to do, so little time
I think this just might blow my mind
I hope there's nothing overlooked
Cause I just want to shout out loud

[Chorus]
Hello, Hello, Hello, Hello
To the world I can't see
I'm in a spin, I'm in a spin
I'm letting go once again
Now that I have been set down
I don't ever want to leave
These things are never all I see
Means so very much to me

There's more to say, more to do
Just give me time, I'll get back to you
I hope there's nothing over looked
'Cause I just want to shout out loud

[Chorus]
Hello, Hello, Hello, Hello
To the world I can't see
I'm in a spin, I'm in a spin
I'm letting go once again
Now that I have been set down
I don't ever want to leave
These things are never all I see
Means so very much to me

And I won't waste another day
Holding back on everything I say
You see I'm through, done now
And I'm happier

Something's got to change (got to change)

Something's got to go my way (my way)
I can't see it's all just a dream
You see, I'm inside out
I'm looking up but falling down
I can't see in you
So come on over, come and say your...

[Chorus]
Hello, Hello, Hello, Hello
To the world I can't see
I'm in a spin, I'm in a spin
I'm letting go once again
Now that I have been set down
I don't ever want to leave
These things are never all I see
Means so very much to me
