(Verse)

I like it black, just black as night  
It keeps me up, it keeps me tight  
It don't matter the size of the cup  
Just as long as you fill it up

(Chorus)

With black caffeine  
Keeps me lean  
You can hear me scream  
Give me black caffeine

(Verse)

Oh I've got a monkey sittin on my back  
How wouldn't you know he likes it black?  
Don't need no cream, no nicotine  
All that monkey need is the black caffeine

(Chorus)

More black caffeine  
It keeps me lean  
You can hear him scream  
Give me black caffeine  
Give me black caffeine

(Verse)

I'm sellin the body, I'm soundin mine  
Until it comes to my coffee time  
Don't stand in my way, don't hold me back  
Just keep me high and keep it black

(Chorus)

Good black caffeine  
It keeps me lean  
You can hear me scream  
Give me black caffeine

(Verse)

The devil sin, I want your soul  
I want your silver, I need your gold  
Well you can have anything I've got

Don't let him in my coffee pot

(Chorus)

Good black caffeine

It keeps me lean

Can you hear me scream?

Give me black caffeine

More black caffeine

It keeps me lean

Can you hear me scream?

More black caffeine

More black caffeine

Yea, black caffeine
