(Verse)

It takes one to know one  
Baby I know how you feel  
You got your hunger and some problems that are real  
And you're dealing with some demons who are  
driving you insane  
And I've seen him drag you screaming down the  
hallways in your brain

(Bridge)

You got loaded again,  
Ain't you handsome when you're high?

(Chorus)

Nothing matters,  
Chase the feeling til you die

(Verse)

Let it right on in here baby, let it ruin your life  
Let it run your children off, let it run your wife  
Let it take the joy of love and turn it to despair  
You know you knew better baby, you just didn't care

(Bridge)

You got loaded again,  
Ain't you handsome when you're high?

(Chorus)

Nothing matters,  
Chase the feeling til you die

(Verse)

Made it on the moon like baby think of number one  
Tangled up into and you were shinin like the sun  
With some pretty piece of hunger who was younger  
than her life  
On a scale of cosmic thunder, it's a wonder you're  
alive

(Bridge)

You got loaded again,

Ain't you handsome when you're high?

(Chorus x3)

Nothing matters,

Chase the feeling til you die
