(Verse)

I couldn't sleep last night, just walk the floor
Don't know how I'll stand this anymore
Lonely all the time since I lost you
Received your invitation to the blues

(Verse)

I don't know why you cause me such pain
I just hope I'll never go through this much again

(Chorus)

Thanks for sending something I can't use
I received your invitation to the blues

(Verse)

You took the laughter from this world of mine
Thanks to you the sun will never shine
Walked the floor so much, where are my shoes?
Received your invitation to the blues

(Verse)

I don't know why you cause me such pain
Lonely me, I don't know what to do
I received your invitation to the blues

(Chorus)

Thanks for sending something I can't use
I received your invitation to the blues
