We are  
Counting the stars  
Out in the night  
Round an old yellow moon

With you  
Right by my side  
I got nothing to hide  
From an old yellow moon

And now  
As I turn back the years  
So little Iâ€™ve learned  
About heartache and tears

(Chorus)  
But still  
Iâ€™m making my way  
Into the heart  
Of an unknown highway

We are  
Following stars  
Way cross the sky  
Round an old yellow moon

(Chorus)  
But still  
Iâ€™m making my way  
Into the heart  
Of an unknown highway

We are  
Counting the stars  
Out in the night  
Round an old yellow moon

Out in the night  
Round an old yellow moon
