Have not the strongest
And closest ties been bound so long
I've called upon them
They remind me where I'm from
With deep conviction
I am connected cross the miles
Without them nothing worth relying on

[Chorus:]

It's been so long since I could say
I've needed anything stronger
We can't be wrong when we have ties that bind us
If I rely and I know the strength
In those who taught me of the
Power in the ties that bind
When I turn inward
And look for strength within my self
And demonstrations of courage are the result
If inspiration is wholly shared
Then more is the gain
Then I will follow

The selfless actions displayed
The are made powerful

[Chorus:]
