And I see
Nothing I can do
Would change this now
This last caress
I'll cherish forever

And if I could
I would kiss
All your tears away
This emptiness
Can only bring sorrow

If you leave
I will follow
Wherever you go
I will be there for you

I believe
That our destinies
Were entwined
Now I see that my
Fate's been decided

How I hope that
In some way you'll
Remember me
Can't you see that I'd
Lay down my life for you
