OH YEAH!!

The fire it rages  
It burns clear in the night  
Illuminates the path before us  
Now true our arrows strike

Defy, we heed the call  
Defy, strengthen us all  
Defy, for we are many  
Rising against you

Defy, we heed the call  
Defy, strengthen us all  
Defy, for we are many  
Rising to crush you

Now the tide is turning  
Our might striking fear  
Our passion foretells our triumph

Smite those who stand against us

Defy, we heed the call  
Defy, strengthen us all  
Defy, for we are many  
Rising against you

Defy, we heed the call  
Defy, strengthen us all  
Defy, for we are many  
Rising against you

We are your fast approaching doom

Now tremble

Let the tyrants fall  
Let the sons heed their call  
Let the tyrants fall  
We are your fast approaching doom
