Now hold this tight, don't let go
No burden, I can't forget the past is real
No longer fight this feeling, no burden
I can't erase what you've become this time

And I cast doubt
(No longer)
And I am able, I am strong
And now it dwells in me

True to this 'cause I hunger
I count the days that pass me by
I'll do what I know is right
No failure shall befall me this time

And I cast doubt
(No longer)
And I am able, I am strong
And now it dwells in me

And I cast doubt
(No longer)
And I am able, I am strong
And now it dwells in me

I cast doubt aside
I cast doubt aside
I cast doubt aside
(Cast doubt aside)
I cast doubt aside

And I cast doubt
(No longer)
And I am able, I am strong
And now it dwells in me

And I cast doubt
(No longer)
And I am able, I am strong
And now it dwells in me

I'm strong and it dwells in me

I'm strong and it dwells in me
