No more

No more are the days that I will
Fear for I have found a strength that
None can match and I'll push forward

Never has the blood in my veins
Flowed so fiercely as when I feel
This around me, I am whole

I'm not alone
With the touch of your hand
I am whole again

I'm not alone
With the touch of your hand
I am whole again

Now I feel the passion burning
This what drives me further strengthens
My resolve to push me further

(And I believe, that I am not alone)

I'm not alone

I'm not alone
With the touch of your hand
I am whole again

I'm not alone
With the touch of your hand
I am whole again

No more are the days that I will
Fear for I have found a strength that
None can match and I'll push forward

Now I feel the passion burning
This what drives me further strengthens
My resolve to push me further

I'm not alone
(I'm not alone)
With the touch of your hand
I am whole again

I'm not alone
(I'm not alone)
With the touch of your hand
I am whole again

I am whole again
I am whole again
