No more chance
Bear your souls
Bind the flesh
(??)

Oh when the seas bear forth (bear forth)
Repel and spring
Infest the life of them
They fear the eastern gods (Their Gods!)
No men are (?) or No Matter (?)
For the life of them

Oh!
Though the fire it rages
You have been warned
And the hate will not consume me
You shall bring your torch
Living in darkness
Carnivorous rejoice
And the hate will not consume me
Rise up and contort
Contort!

And with the fields of the deep (of the deep)
Bind the flesh
And hold us strong

Though the fire it rages
You have been warned
And the hate will not consume me
You shall bring your torch
Living in darkness
Carnivorous rejoice
And the hate will not consume me
Rise up and contort

(contort! yeah!)

Let the darkness cover me
I've learn to fix these scars
Let the darkness cover me
You shall bear your torch

Though the fire it rages
You have been warned
And the hate will not consume me
You shall bring your torch
Yeah!
And the hate will not consume me
You shall bring your torch
