I wish I was free of this

I see her in my dreams  
Wish that she wasn't there  
But she still haunts me as I  
Still feel her breath on me  
Still want to taste her skin  
But I know that would kill me

No damn her  
Still I choke on her lies  
Still reeling from her last caress her goodbye

Oh how this sickens me  
This wretched fools affair  
I can't erase this from me  
And now it permeates  
In every thought I feel

The anger writhes in my soul

No damn her  
Still I feel my stomach turn  
Jump back hold my head high im strong

No damn her  
Still i choke on her lies  
Not reeling im strong

No damn her  
Still I feel my stomach turn  
Jump back hold my head high im strong

No damn her  
Still i choke on her lies  
Not reeling im strong

I wish I was free of this
