

## Primer 55 "Hate"

Visit "[Hate](#)" on MotoLyrics.com

I toss and turn and I can't sleep  
I don't understand my life  
I don't understand my suffering  
I try to fight, I try to resist  
But all the hate and all the pain  
And all the lies, I can't take this  
As I can't fight what I can't see  
I can't fight for my life, I can't fight for my enemies  
The lies you tell, chip away at my insides  
Leave me with nothing but hate that I can't hide

Kill it  
Kill it  
Kill it  
Kill it

I try to take what you give me  
I let you pick apart my brain  
I let you pick apart my misery  
I'm feeling tired and I feel sick  
But all the pain and all the hate and all the stress  
It's not worth it  
And I can't fight what I can't see  
I can't fight for my life, I can't fight for my enemies  
The lies you tell, chip away at my insides  
Leave me with nothing but hate that I can't hide

Kill it  
Kill it  
Kill it  
Kill it  
Hate

Kill it  
Kill it  
Kill it  
Kill it  
Hate

Hate  
Hate  
Hate
