Beg me, I want you to beg me
I want you to beg me
Yeah, beg me
I want you to beg
I wanna hear it from your wicked mouth
Come on, baby, spit, spit it out
Whisper from your lips, roll it off your tongue
Say it with your hips, I want some dirty fun
Maybe you get it, maybe you don't
You gotta ask for it or you won't
Every time you beg, I love it when you want me
Love it when you need me
Right between your legs, tell me that you need it
Say it like you mean it, beg, yeah, beg, beg
Anticipation, I can make you wait
One more time, let me hear you say
I wanna feel it, wanna feel it deep
I need what you're givin', give it to me
Every time you beg, I love it when you want me
Love it when you need me
Right between your legs, tell me that you need it
Say it like you mean it, beg
Give it to me now
I wanna here you beg
I wanna hear it
Every time you beg, I love it when you want me
Love it when you need me
Right between your legs, tell me that you need it
Say it like you mean it
Every time you beg, I love it when you want me
Love it when you need me
Right between your legs, tell me that you need it
Say it like you mean it
Beg, beg
