Hey yeah, hey yeah  
Open doors with a loaded gun  
Break 'em down and it's just begun  
Feel the fire as I come undone  
Yeah  
I breathe in and it fills my lungs  
Let it burn in a vacant sun  
Cold blood just let it run, let it run  
Miles between us, but now I'm here  
Do I walk the valley? Do I die alone?  
Am I first to sin as I cast this stone?  
Do I? Oh, do I?  
Do I pull the trigger? Do I snap the bone?  
Do I suffocate? Do I send them home?  
Do I? Oh, do I?  
Hey yeah, hey yeah  
Going blind from a fallen friend  
Lay him down from heaven's end  
Do I keep on pushing or do I just pretend?  
Yeah  
Dust storms from a broken sky  
Skin cracks and the well is dry  
Break these chains, then I walk on by  
You can't start over, now I'm here  
Do I walk the valley? Do I die alone?  
Am I first to sin as I cast this stone?  
Do I? Oh, do I?  
Do I pull the trigger? Do I snap the bone?  
Do I suffocate? Do I send them home?  
Do I? Oh, do I?  
Chase it down, break it down  
Chase it down, break it down  
Do I walk the valley? Do I die alone?  
Am I first to sin as I cast this stone?  
Do I? Oh, do I?  
Do I walk the valley? Do I die alone?  
Am I first to sin as I cast this stone?  
Do I? Oh, do I?  
Do I pull the trigger? Do I snap the bone?  
Do I suffocate? Do I send them home?  
Do I? Oh, do I?

Do I? Do I? Do I? Do I?  
Do I? Do I? Do I? Do I?
