"Hit the Ground"

Visit "[Hit the Ground](#)" on MotoLyrics.com

If you see me fall back down
Please don't lend a helping hand
Just leave me on the ground
And when you see me crawl
Please don't try to understand
The reason to it all

Sometimes I need to be down
To be lost and not be found
Just let me knock myself out and hit the ground

Because when I'm on the floor
I don't ask for reasons why
I just ask for more
Because when I'm on the ground
I don't need your help my friend
You don't need to be around

Sometimes I don't want to be around
Just let me be
Sometimes I just feel this wish to drown
Just let me be down
