I'm stupid
You're smarter
I'm stupid
Thinking there's a way
This could turn out right

I'm dreaming
You woke up
And I should have known from the start
That you were never mine

'cause if I can't make you love me
You're out of reasons to stay
Make it easy on yourself
And don't worry about me
Don't make you feel something you don't

I'm crying
But don't pity
I'm dying to just walk away
I'm gonna be alright
'cause i'm screaming
You woke up
And I'm gonna miss you but I,
I'm gonna be alright

'cause if I can't make you love me
You're out of reasons to stay
Make it easy on yourself
And don't worry about me
If I can't make you love me
Your not the one here to blame
And I will make it on my own
And don't worry about me
Don't worry about me
Don't worry about me

I'm stupid
You're smarter
I'm stupid
Thinking there's a way
This could turn out right

'cause if I can't make you love me
You're out of reasons to stay
Make it easy on yourself
And don't worry about me
If I can't make you love me
Your not the one here to blame
And i will make it on my own
And don't worry about me
Don't worry about me
Don't worry about me

'cause if I can't make you love me
You're out of reasons to stay
Make it easy on yourself
And don't worry about me
Don't worry about me
