Take a look
don't waste your mind

Take a look
don't close your eyes.
Playing on this crazy game

Change your move
don't stay in line

Be yourself
this is your life

Fighting in a mighty-sparkling war.

We're moving on in the shades of a new world

We're moving on to the sound of a gun.

No shining light to guide in the dark.

nothing with desire

How many times you're gonna feel this pain?
Fight your battle now
show your pride

Don't play your loosing game
it sounds.

Waiting up for a vision tonight in an ocean of crime

Waiting up for a shot in the dark tonight.
We're moving on in the shades of a new world

Walkin' up and down to find your light.
Fight your battle now
show your pride

Don't play your loosing game
it sounds.

Waiting up for a vision tonight in an ocean of crime
