[2Pac]

Now you've been actin like you want it for a long time  
All up in a nigga face, givin me them strong vibes  
Look in my eyes and you'll find peace  
A gemini, so you really blow my mind freak, c'mon  
I got my clothes off, hard as a nigga in jail  
Skinny niggaz throw the dick well  
Everybody get they condoms, brother cause it's time to  
fuck  
Hurry up and put it on nigga, time is up  
What's next got my mind on some group sex  
Where you goin baby, I ain't even through yet  
Do it like a true vet, love it how I threw it to ya  
Even now make it good to ya, remember me?  
I love fuckin slow with the lights low  
Black puerto rican even white hoes, bellissimo  
Que linda, dame beso, come to papi  
Fuck until the shit is sloppy, if you really want it

[Eye] If you really want it

[Pac] Get'cha ass up; you know it, if you really want it

[Eye] If you really want it

[Pac] If, you really want it, if you really want it

If you really want it

[Eye] Uhh, uhh

[Pac] If you really want it

[2Pac]

Alright all my real niggaz and my real bitches  
Let me see you do it like this, c'mon

[2Pac + Left Eye]

Rock, your body body, rock your body body  
Rock, your body body, rock your body  
Rock, your body body, rock your body body  
Rock, your body body, we came to  
Rock, your body body, rock your body body  
Rock, your body body, rock your body  
Rock, your body body, rock your body body  
Rock, your body body..

[Left Eye]

Do you, you remember the time  
when you absolutely, said never let it inside  
Feel it's my duty, from gemini, to gemini  
Can you imagine the trouble come bustin double, I'm  
much obliged  
See I would love to go and take a ride  
Have total leeway up and down your freeway, nothin to  
hide  
If I was committed to suicide  
I'd fuck around meet you now put it down, I'd testify  
Ain't nobody here to understand the reason why  
It's you and I, so everything is rectified  
I know you tried, you even made a nigga cry  
But love is blind, now can you stand the test of time?  
Redefine, what it means to be an open mind  
Feel the climax..  
I bust a round for you, painted the perfect picture  
I'm down for you, (?) get witcha  
Rock, your body body, rock your body  
Rock, your body body, rock your body

[2Pac]

Damn..  
IF you really want it  
You like that? Yeah  
If you really want it

[Left Eye]

Rock, your body body, rock your body  
Rock, your body body, rock your body

[2Pac]

Don't hold back.. (?)  
Yeah, yeah, I feel you

[2Pac]

Rock, your body body, rock your body body  
Rock, your body body, rock your body body  
Rock, your body body, rock your body body  
Rock, your body body, we came to  
Rock, your body body, rock your body body  
Rock, your body body, rock your body  
Rock, your body body, rock your body body  
Rock, your body body..

[2Pac]

See, it all started simple, turned into me lickin the  
nipples  
Fuckin you doggie style to this instrumental

Hands up, all up inside ya, hell I can stand ya  
Eyes open I don't plan to bust, just hold on  
Baby let me zone in, whaddyou mean?  
Can you scream let it go beotch, how does it feel?  
Got a nigga like steel in ya, to keep goin  
Now I'm fuckin like I'm killin ya, let's go another round  
Baby is you down really, two shots of ecstasy  
Lick a nigga down silly, your body next to me  
I could touch you inside, and you'll cry  
So good when a nigga leave, you'll die  
My mama told me baby be a man put it on her  
Hittin bitches like, switches comin around the corner  
I wanna let me get my ride on  
It's yo' dick baby but it's my song, now if you really  
want it

[2Pac]

Gots to send this one out to the freaky bitches
