"In spite of the empathy directed towards them by the generation they would eventually lead, the band pressed on..."
"The end result is one of the most frenzied wild rock 'n' roll songs ever to come along!"
"Eah! That's right!"
"Make it happen..."
"Trust me!"

I got caught in an astroplain and all the physicists are wrong
And the world is just a chain reaction...
I dare to look at the fuckers that shook at the sound

Coming down getting pound into the third dimension...
Oh no, I'm just a goddamned chain reaction
Oh no...("How come you're so fucked up?")

("Unraveling action!")
Oh yeah...Alright...Oh yeah...Alright...
Oh yeah...Alright...Oh yeah...Alright...Alright...
Oh yeah...Alright...Oh yeah...Alright...Oh yeah...
Oh yeah...Alright...

I was born on the seventh of May on an overcast day
One day when I could left home to get in touch with a phone
Into a world that never saw me coming...
(It's a koan) So don't expect to get it..
Oh no...("Who do you-Who do you think of it?")

Oh no, I'm just a goddamned chain reaction

Oh yeah...Alright...Oh yeah...Alright...
Oh yeah...Alright...Oh yeah...Alright...Alright...
Oh yeah...Alright...Oh yeah...Alright...Oh yeah...
"Picture time as not completely separate from nor independent of space
Oh yeah...Alright...Oh yeah...
"No shit! I first thought of it in grade school, then again in high school..."
but combined with it to form an object called space

time."

"The same as firing guns, are we keeping peace?"

"Dig into the truth, dig into the truth"

About the size of the tries that it takes to get a decent
hooker...

I walk soft and I carry a stick

("It's clear! It's clear!") My shit's clean like a washing
machine, I'm alive

It's a fact you can't attack and now I'm taking over...

Oh no, I'm just a goddamned chain reaction

Oh yeah...Alright...Oh yeah...Alright...

Oh yeah...Alright...Oh yeah...Alright...

Oh yeah...Alright...Oh yeah...Alright...

Oh yeah...Alright...Oh yeah...Alright...

Oh yeah...Alright...Oh yeah...Alright...Alright

Oh yeah...Alright...Oh yeah...Alright...

Oh yeah...Alright...Oh yeah...Alright...

Oh yeah...Alright...Oh yeah...

Oh yeah...Alright...Oh yeah...Alright...

Oh yeah...Alright...Oh yeah...Alright...

Oh yeah...Alright...Oh yeah...Alright...

Oh yeah...Alright...Oh yeah...Alright...

"No shit! I really wanna know!"
