The best of times, the worst of times, the times you
can't ignore
Sometimes you bite the bullet and you flip flop on the
floor
They tell you where to go, they tell you what to do
They set your face on fire then, they stomp it out with
their shoes
I ain't no fool, Mama didn't raise no...
I ain't no fool, Mama didn't raise no...
The times I can't complain are the times I do the most
On a diet of black coffee and Prozac buttered toast
These eunuchs in their prada and Gucci flavoured
clothes
Wouldn't know a fresh perspective if it bit 'em up on the
nose
I ain't no fool, Mama didn't raise no...
I ain't no fool, Mama didn't raise no...
Mama didn't raise no fool
Mama didn't raise no fool
Mama didn't raise no fool
Mama didn't raise no fool

Don't do as they say, just say as they do
No flavour's quite so bitter as the taste of one's own
shoe
I ain't no fool, Mama didn't raise no...
I ain't no fool, Mama didn't raise no...
Mama didn't raise no fool
Mama didn't raise no fool
Mama didn't raise no fool
Mama didn't raise no fool

I...
I ain't no fool
I ain't no fool, Mama didn't raise no...
Mama didn't raise no fool
Mama didn't raise no fool
Mama didn't raise no fool
Mama didn't raise no fool
Mama didn't raise no fool
Mama didn't raise no fool

Mama didn't raise no fool (Mama didn't raise no fool)
Mama didn't raise no fool (Mama didn't raise no fool)
Mama didn't raise no fool (Mama didn't raise no fool)
Mama didn't raise no fool (No fool did mama raise)
Mama didn't raise no fool (Mama didn't raise any fools)
Mama didn't raise no fool (No she raised me)
Mama didn't raise no fool (No fools doll)
Mama didn't raise no fool (No, no, no, no, no, no, no,
no)
Mama didn't raise no fool (No)
Mama didn't raise no fool
