[Jay-Z]

What, tssh, y'all, what

Jigga, uhh uhh uhh, uh-huh

Pa-pa, uhh, pa-pa, uhh

The G, Roc-A-Fella y'all

Who be, in a Japanese restaurant, eating sushi

Drinking saki, it's me, and my mami with the doobie

Cutie, smellin like Tiaka, half-Phillipine thing

For now, let's call her Suki, got me this booty bangin

Properly, in Versace pants, cocky bow-legged stance

A thing of beauty, watch me, body crazy

Tits Firm like Nature, Foxy, Nas and AZ

Truly reason to bug the toolie and keep laced in jewelry  
watch me

Girlie tried to lure me and lock me you gotta get up  
early

Cause who's gettin played is not me

"Surely you jest," she said, "if you thought I was purely  
out for the bucks you woulda bucked stuck and  
dropped me"

I said maturely, "You right

but better safe than sorry, but for the lovebirds

can move to the suburbs, I need to double check your  
story

To make sure that you one of a kind

And you deserve to be my Sunshine"

Chorus: Babyface (variations not listed except for first  
time)

Touch me with, a heart of gold (uh-huh)

I can't go a day without my sunshine (uh-huh) ahh-haaa  
(say what? uhh)

Touch me with, a smile of gold (yeah)

I can't go a day without my sunshine, sunshine (uhh,  
uhh, uhh)

[Jay-Z], (Foxy Brown)

A year gone, and she seein things most chicks only  
hear in songs (uh-huh) keep in gear phenom

Lots of ice in the air, round the neck the charm (that's right)  
Risked a four to life bid to keep that shit on her arm  
Keep her impressed at all times, cats would love to creep (uh-huh)  
just to say they crept with mine, slept with mine, she said

[Foxy Brown], (Jay-Z)  
I ain't deaf nor blind, niggaz stressin  
Hatin cause they less than mine, they wanna sex me  
We chose each other, you actin like you chose me  
They oppose you then, they oppose me  
We could creep at a low speed, the gat in the hosiery  
Double cross you they got to triple cross me  
(I'm thinking that's the way it's supposed to be) Uh-huh  
(One more thing:  
If I ever go broke, would you hit the block for me?) Fo' sho'  
(She replied, eyes open wide) Uhhhh  
(Put that on everything?) I put that on my life  
(Right)

Chorus

[Jay-Z], (Foxy Brown)  
If I needed would you, give me your kidneys? (Uhh, uhh, fo' sho')  
Catch a case you catch it with me? (Mmm, fo' sho')  
Pawn your jewlery to come get me? (You better know)  
Catch me with a chick, forgive me? (Uhh, now that, I don't know)  
They spread rumors, will you defend me, tooth and nail? (Uh-huh)  
They try to frame me, will you be there, till the truth prevail? (uhh)  
(But would you be the same dude, when you blow the roof off sales  
that you was, throwin rocks, at the Roof at 12, nigga?)  
This is the truth I shell, till the loot gets frail  
I put this on my nephews, from the smallest to the pale  
Me and you ballin, from the heavens, or the hell  
Won't let you hit the ground if I'm fallin myself  
Now picture me leavin you in this cold world, rollin for delf  
It's me and you in this old girl, we takin the belt  
From the lows, to the highs, to the foes we shine  
Just continue to be my Sunshine (uhhh)

Chorus 2X
