### "Goodbye"

Visit "[Goodbye](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I don't want to see you anymore, goodbye  
Throwing me those tired cliché words and worthless  
lies  
Don't be thinking everything's just gonna be fine  
Put on your shirt boy and grab your keys  
'Cause this just ain't gonna fly

Goodbye  
Goodbye  
Goodbye  
It's time for you to go

You're the one that taught me how to be so sly  
Putting up with all your childish games and still you act  
surprised  
Remember when you told me that all real men don't cry  
Well turn your head boy now and swallow your pride  
I see the tears coming from your eyes

(Goodbye) What don't you understand  
(Goodbye) It's my only demand  
(Goodbye) Let me give you a hand  
And I'll show you to the door  
(Goodbye) I don't need to explain  
(Goodbye) Or this could get profane  
(Goodbye) I don't care about your pain  
It's time for you to go

Can't believe I said I'd love you 'til I died  
That was when I thought I could believe your alibi  
I guess I really just don't like your kind of guy  
Save it on me boy, I'm bored of you  
And I just don't wanna hear why

(Goodbye) What don't you understand  
(Goodbye) It's my only demand  
(Goodbye) Let me give you a hand  
I'll show you to the door  
(Goodbye) I don't need to explain  
(Goodbye) Or this could get profane  
(Goodbye) I don't care about your pain

It's time for you to go

Just so we'll know, this is the end  
Oh no, don't you try to start with me again  
Just so you know, this is our last goodbye  
Goodbye  
Goodbye

(Goodbye) What don't you understand  
(Goodbye) It's my only demand  
(Goodbye) Let me give you a hand  
I'll show you to the door  
(Goodbye) I don't need to explain  
(Goodbye) Or this could get profane  
(Goodbye) And I don't care about your pain  
It's time for you to go

What don't you understand  
It's my only demand  
Let me give you a hand  
I'll show you to the door  
I don't need to explain  
Or this could get profane  
I don't care about your pain  
It's time for you to go

Goodbye  
Goodbye  
Goodbye  
It's time for you to go
