Do you remember?
When we felt this love
Last September
Heaven sent from above
Can you remember?
Our struggle to survive
Last November
Barely felt alive

Combining two strangers
Not loving, not knowing, there's really nothing to share
Ignored our best interests
Starting a romance when really no romance was there
Shame on our love degradation
Debasing our souls, demeaning our very worth
Never knowing how it would hurt

Do you remember?
When we felt this love
Last September
Heaven sent from above
Can you remember?
Our struggle to survive
Last November
Barely felt alive

The struggle of intrigue
Not ready, not waiting, let's give the emotion a try
Thinking short-sighted
Who cares what would happen when this feeling soon
would pass by
Shame on our poor imitation
Fooling no one, except our naive hearts
The good in us slowly departs

Do you remember?
When we felt this love
Last September
Heaven sent from above
Can you remember?
Our struggle to survive

Last November
We barely felt alive

Do you remember?
Last September
Can you remember?
Last September
