And I walk through the desert alone  
Threads embrace my skin, comforting my sin  
What have I done?  
Misguided and misunderstood  
I am alone  
Love is somebody I used to know  
Where have I gone?  
Alone

Crimson sand keeps moving me along  
Drifting, impending dawn  
Where have I gone?  
I'm no one  
So frozen in the saturating sun  
What have I done?  
I'm no one  
Keep moving on  
Keep moving on

Barren of soul emotion gone  
Painless broken stare, my heart is unaware  
Of all the wrong  
Blinded and unrecognized  
I am alone  
Confused by the moments I used to know  
Where have I gone?  
Alone

Keep moving on  
Keep moving on

Crimson sand keeps moving me along  
Drifting, impending dawn  
Where have I gone?  
I'm no one  
So frozen in the saturating sun  
What have I done?  
I'm no one  
Keep moving on  
Keep moving on  
What have I done?

What have I done?

Crimson sand keeps moving me along

Drifting, impending dawn

Where have I gone?

I am no one

So frozen in the saturating sun

What have I done?

I am no one

Keep moving on

Keep moving on

What have I done?

What have I done?
