I had a friend that took a belt, took a belt and hung  
himself  
Hung himself in the doorway of the apartment where  
he lived  
His woman and his little bro came home from the  
grocery store  
Only to find him dangling in the apartment where he  
lived

I had a friend who shaved his head  
Put his Doctor Martins on  
And drew such wondrous pictures in the apartment  
where he lived

He praised my creativity, though he spoke sarcastically  
Oh, the conversations in the apartment where he lived

I had a friend that took a belt, took a belt and hung  
himself  
Hung himself in the doorway of the apartment where  
he lived  
Rock, she thought him spiteful; Ler, he thought him  
pitiful  
Me, I've never been back to the apartment where he  
lived
