Del Davis sold a christmas tree
Stood up to 8 feet tall

Season was lookin' mighty thin
He'd hoped to sell 'em all

Here he comes with a dollar in his hand
He represents the epitomized man

The boy liked rock 'n' roll
Seemed that's the way he paid his way

With the help of Del and them "Doogs"
There's a bit more joy this holiday

Here he comes with a dollar in his hand
He represents the epitomized man
He's Del Davis, one hell of a guy
I don't grasp it neither

C'mon

Here he comes with a dollar in his hand
He represents the power of the word, "Mama"
He's Del, sell them trees
And as an x file, it takes one worm
Infects yer entire neighbourhood
Spread joy 'round again see
He's Del, Del Davis
Unknown person
