I've been to hell. I spell it...I spell it DMV
Anyone that's been there knows precisely what I mean
Stood there and I've waited and choked back the urge
to scream
And if I had my druthers I'd screw a chimpanzee-call it
pointless

When I need relief I spell it THC
Perhpas you may know vaguely what I mean
I sit back and smoke away huge chunks of memory
As I slowly inflict upon myself a full lobotomy-call it
pointless

Barbecues, tea kettles, gobs of axle grease

There comes a time for every man to sail the seas of
cheese
Now, life's a bowl of bagel dogs, but there are
unpleasantries
Cold toilet seats, dentist chairs and trips to DMV-call it
pointless

I've been to hell. I spell it...I spell it DMV
Anyone that's been there knows precisely what I mean
I've stood in line and waited near an hour and fifteen
And if I had my druthers I'd screw that chimpanzee-call
it pointless
