

Primus "Poetry & Prose"

Visit "[Poetry & Prose](#)" on MotoLyrics.com

I ain't one for poetry, aint' one for prose. ain't one for
the scent of a sping-time rose.

But the is one face that I do know, I sure get a kick out
of that beavis and butt-head show.

Other day I turn my tv on, and guess what I do see?
Two crazy-ass cartoon sunsabitches staring on back at
me.

Said "what the hell's this", and ler said "boy, dont' you
know? "

The whole world's gone crazy over that there beavis
and butt-head show.

Talk about couch fishing, now I could go for that.
I could go for frog baseball, but I be inclined to use a
cat!

On comedy, I'm a stooges man. I like larry, curly and
moe.

But now and then a get a chuckle watchin' the beavis
and butt-head show.

Stone-temple pearlvana chain, now there's a helluva
band.

They got that original sound that's sweepin' 'cross the
land.

Ain't no zz top though, now that's the band for me.
If I had my way mtv'd play just them and ac/dc.

I ain't nothing special, I'm your average kinda man.
I like a frosted barley pop and I drink 'em outta the can!
I don't give a rat's ass about poetry and not a damn
'bout prose.

I sure get a kick outta them beavis and butt-head
shows.

Butthead: "hey beavis..."

Beavis: "what? "

Butthead: "i was just like...thinking and stuff...it was
pretty cool."

Beavis: "yeah, I'm gonna try that."

Butthead: "tv is cool..."

Beavis: "yeah, yeah, tv rules....it rules! yeah..."

Butthead: "hey beavis...i heard that pretty soon, they're gonna have, like, 500 channels.

That's gonna be cool."

Beavis: "really? that would be cool."

Butthead: "you know what would be really cool, though? if like, one of the channels didn't suck."

Beavis: "yeah, but, like, if one of them didn't suck, why would you need the other...um...

Three hundred and twenty-seven? "

Butthead: "because, you know all those tv shows that suck? it's like, you gotta put them

Somewhere! you can't put 'em on the cool channel!"

Beavis: "yeah, yeah! they should call it the cool channel!"
