I got blood in my gas tank, bones in my steel
I eat California condor for my Thanksgiving meal
I'm the last superpower, I'm a son of a loaded gun
I'm Rapscallion

When I was young and shiny boy, I tried to dig my way
to China
I met the Rapscallion, En route from South Carolina
Then he told me:
[4x]
"I don't like, I don't like you"

I got blood in my gas tank, bones in my steel
I eat California condor for my Thanksgiving meal
I'm the last superpower, I'm a son of a loaded gun
Cuz I'm Rapscallion I'm Rapscallion

He said "I'm searching for a colored man"
I said "what colors have you seen?"
He said "I seen 'em black and brown and red
But, but, but the one I seek is green"
Then he told me:
[4x]
"I don't like, I don't like you"

I got blood in my gas tank, bones in my steel
I eat California condor for my Thanksgiving meal
I'm the last superpower, I'm a son of a loaded gun
Cuz I'm Rapscallion I'm Rapscallion

I got blood in my gas tank, bones in my steel
I eat California condor for my Thanksgiving meal
I'm the last superpower, I'm a son of a loaded gun
Cuz I'm Rapscallion

I got blood in my gas tank, bones in my steel
I eat California condor for my Thanksgiving meal
I'm the last superpower, I'm a son of a loaded gun
Cuz I'm Rapscallion

I got blood in my gas tank, bones in my steel
I eat California condor for my Thanksgiving meal
I'm the last superpower, I'm a son of a loaded gun

Cuz
[7x] I'm Rapsallion
