look there goes dexter
and there goes his sister didi
oh boy
wonda what their gonna get in to today
chorus
uh oh back to da lab again
oh no back to da lab again
we messed up back to da lab again
not again back to da lab again
(2x)
uh oh
dexters in da lab again
makin up anythin hes imaginin
there goes didi his sister
he always argues wit her
she thinks she knows it all cuz shes older and shes bigger
what ever dexter wants he just goes and creates
robots doesnt matter the size or da shape
hes always doin crazy tests or makin a mess
and if they dont come out correct
boy you know what happens next

Chorus

dexters labrotory he can always count on it
to get him into trouble or to get him out of it
sometimes if he needs didi then hell use her
but dexters only true best friend is his computer
its always alot of fun when you experiment
dexter wit all his new acting experience
so tune into dexter the worlds youngest inventer
you could join him for his crazy adventures

chorus

dexter:suxcess
