Oh yeah

Some people say my love cannot be true  
Please believe me, my love and I'll show you  
I will give you those things you thought unreal  
The sun, the moon, the stars all bear my seal

Oh yeah

Follow me now and you will not regret  
Leaving the life you led before we met  
You are the first to have this love of mine  
Forever with me 'till the end of time

Your love for me has just got to be real  
Before you know the way I'm going to feel  
I'm going to feel, I'm going to feel

Oh yeah

Now, I have you with me, under my power  
Our love grows stronger now with every hour  
Look into my eyes, you will see who I am  
My name is Lucifer, please take my hand

Oh yeah

Follow me now and you will not regret  
Leaving the life you led before we met  
You are the first to have this love of mine  
Forever with me 'till the end of time

Your love for me has just got to be real  
Before you know the way I'm going to feel  
I'm going to feel, I'm going to feel

Oh yeah

Now, I have you with me, under my power  
Our love grows stronger now with every hour  
Look into my eyes, you will see who I am  
My name is Lucifer, please take my hand
